CHILD CARE NEEDED
 Celebrate Recovery is needing some additional folks who could help provide child care on Monday evenings. We have folks attending who need to bring their children with them, and the child care you can provide would go a long way toward their road to recovery. Even if you can only help in this area one week a month, you would be making a huge impact in the lives of the children as well as the CR attendee. Please contact Dan Davis, 615-202-4839 for more details.
